

Live Oak Waldorf School's 30th Anniversary Cookbook

The Class of 2009 is happy to announce that they will be creating and publishing Live Oak Waldorf School's 30th Anniversary Cookbook!

We are asking our community to provide us with their favorite recipes so we can create a Waldorf inspired cookbook. The recipes can be from any category and can even include a personal note or drawing to make it your own. Alumni are encouraged to become a part of this event by sharing their favorite recipes, and maybe even a few little anecdotes that can help create a vision of our past.

This cookbook has potential to bring in some new outside funds for our school, since we can offer it to the general public in a variety of venues.

PLEASE consider becoming part of this awesome effort to help Live Oak Waldorf School honor its first 30 years.

NOTHIN' SAYS LOVIN' LIKE SOMETHING FROM THE OVEN!

Any questions please contact Patty Thibaut: at *Tebotrio@msn.com* or *916-988-4145*.

There will be a large manila envelope in the office to collect your offerings or you can e-mail them. We hope to begin the actual work over the summer.
